

Patient Testimonials

Patient name: Sharon L.

1. What condition prompted you to come to Jeff's?
Hormone Replacement.
2. How significant were your symptoms?
Pretty Bad.
3. What had you tried prior to compounding?
Premarin 1.25mg
4. How long did it take for the compounding to help you?
Within a week [I] could feel a big difference.
5. How do you feel today since being on your compound?
I feel great and I am losing weight as well!
6. What can you say about the pharmacist?
I have never, ever had a pharmacist be so caring and explain things so well.
7. What can you say about the staff?
The staff at Jeff's is so wonderful. I have always been waited on with a smile from the staff. (Don't find that much these days).
8. Why should someone use Jeff's compounding?
People should use Jeff's for many reasons. 1) The staff is great! Service with a smile means a lot. 2) The pharmacist explains everything so good to you. 3) Where can you go [where] the pharmacist asks you how you are doing and feeling? I haven't had that experience anywhere before. 4) The best of all, there is no wait. [As] soon as you walk in the door, they're waiting on you. You're in and out quickly. 5) They also have an electronic board up with great information on it. [I have] never seen that anywhere before.
9. Any other comments?
Thanks Jeff's Prescription Shop for such GREAT service and for CARING!
